Dear Applicant:

Thank you for your interest in teaching at **SPROUTS**. **SPROUTS** is committed to growing children who love God, love each other, and love learning. We want the children's time with us to be filled with love, friendships, and creative learning as we partner with parents and begin to grow. If it is your desire to be a part of this type of preschool, we are looking for you.

Please complete the application and attachments in their entirety, then mail it to me or drop it off at the RMBC office or **SPROUTS** Preschool office on Tuesdays and Thursdays. I will contact you to schedule an interview. My door is always open if you have any questions.

Tending His garden,

Cindy Haynes  
Director
